We made the most of the window of opportunity where the lake had almost dried up to complete extensive cleaning out of sediment and weeds. The lake is now overflowing thanks to the recent, and very welcome rainfall.

Several 'Spinefex Lifeguard' portable power outlets have been acquired to provide additional power outlets for events and camp sites.

The first stage of upgrades to the Warm Up arena (adjacent to the Covered Arena) has been completed.

Maintenance and restoration works to buildings, amenity blocks, administration and canteens have been completed.

11th North Coast Campout Easter 2017 - Event Review

Once again the Fraser Coast has turned on great weather to welcome our campers from as far as Rockhampton and northern New South Wales.

Friday saw many arrive and set up camp before going on a Garage Crawl to two local car restorers and builders Carter Restorations and Chevtec. The chance to see how things are done and pick up some hints is always popular.

Friday night we were joined by Mayor Chris Loft who officially opened the event. He then took the opportunity to go for a ride in one of the cars.

Saturday saw 60 cars head to Hervey Bay, tour along the Esplanade and then continue on to lunch at the Miners Arms Hotel in Torbanlea. Saturday night we enjoyed a spit roast dinner and band with everyone dressing as pirates and wenches.

Sunday is our public day with our Show and Shine. Another great turnout of cars and our Pinup Competition added to the entertainment.

This year we supported two 'not for profit' organisations, Comfort Kitchen and MACE with money collected during the weekend to be donated to assist them with their great work.

Relay for Life

Relay for Life is a fun and moving overnight event held at the Maryborough Showgrounds and Equestrian Park on the 6 and 7 May 2017. Relay for Life kicks off 3.00pm Saturday 6 May and concludes 9.00am Sunday morning.

The event raises vital funds for the Cancer Council's research, prevention and support services. As this year is Maryborough Relay for Life's 10th year, we are having a "Let's Party" themed celebration.

Relay for Life is a chance for the Community to recognise and celebrate those who have overcome cancer or are undergoing treatment, as well as the people who care for them. Relay for Life also provides an opportunity to remember those loved ones who fought hard, but have lost their battle with cancer.

Teams of 10-15 fund-raise throughout the year and come together at Relay for Life to celebrate their amazing fund-raising achievements. Each team endeavours to keep at least one member moving around the track at all times. They can run, walk, skip or dance.

There's entertainment, food and fun available for teams and visitors. If you can't get a team together just come out and enjoy the party atmosphere. Each cup of coffee, chips or ride you go on is raising money for the Cancer Council.
